

# Working Together for Your Student!

Pre-Registration for the 2008-2009 school year is now open to all students currently enrolled in Math Factors and/or 1 + 1 Tutoring. Mrs. Jordan and Mrs. Rugan will be working together, again. These two instructors have a 9 year history of working together to meet the needs of the students of Cottage Hill Baptist School. Both programs will be integrated into one program; with both instructors tutoring all curriculum for K5-8th grade.

Because of increased enrollment and a limited schedule, pre-registration is required to hold your student's position for the fall quarter, which begins Aug. 6, 2008. Beginning on May 2, the registration period will become open for new students entering CHBS. You may also use the pre-registration form below to hold a position for your student in one of our Summer Camps or Summer Individual Tutoring. The Summer Camp flyers are available from Mrs. Jordan, Mrs. Rugan, the school office, or the school website at [www.chbss.org/school/classes/enrichment](http://www.chbss.org/school/classes/enrichment).

Complete the form below and return by May 2 to Mrs. Jordan, Mrs. Rugan, or the school office.

If you have any questions, please call Julie Jordan at 689-6876, Bonnie Rugan at 753-6409, or the school office at 660-2427.
